¹ Household size includes the party and the party's minor child(ren) in the residence. If parties have joint physical care, each counts half of the children in his/her calculation. E.g., if a parent with income of \$50,000 shares care of one child, her household size is 1.5, so she would pay \$560.

² Income is each party's gross annual income. Child support/spousal support is subtracted from the payor's income/added to the payee's income if it has been paid regularly for the past 6 months pursuant to a court order.

³ Fee: Kids First bills at \$175/hr. Once the fee is earned, representation is provided at no charge. Unearned fees are refunded.

⁴ Retainer: Fee for top income level is \$175/hr. (minus other party's fee) with max. \$5,000 total.
